Eat, Drink & Laugh

Storehouse Copenhagen is a social place for people to eat, drink and laugh. Think of it as your "third space", your second living room, your office away from the office. A place to escape, to recharge, to brainstorm. To read, listen, think. To meet, to laugh, to eat, to sip.

We offer casual dining with a focus on sharing. Feel free to drop by on a whim, for coffee, satisfying breakfasts, light bites, hearty shared feasts and late drinks.
